WHAT ARE THE 6 SEEDS OF THE FIELDS?

The 6 seeds of The Fields are 6 areas of commitment we believe are vital to the life of our church as we fulfill our vision and mission. As a new church plant, we are looking for people who will commit to these 6 areas and help us accomplish God's plans for our church.

Each one of these 6 Seeds will take commitment to work through. Every one of them has several different layers which means that you can always grow in these areas. They each have deep roots, but this overview should help you to understand the overarching goal we have for our team.

To get a more in depth understanding of each on of these, please listen to our podcasts in reference to the 6 seeds. We will be teaching through each one of these seeds to help reaffirm these truths in our own lives as well as establish these truths in the lives of those who join our team.
